TEXT APPEARS ON SCREEN

I. It is what it is.

PERSON 1

Did you see the news today?

PERSON 2

What news?

PERSON 1

THE news. Reporters, headlines...

PERSON 2

Yeah yeah, I know.

PERSON 1

You know what happened?

PERSON 2

I know what the news is.

PERSON 1

Whoa! Did you hear that, everyone?

PERSON 2

Funny.

PERSON 1

So do you want to know?

PERSON 2

I don't really care what happened.

PERSON

You don't even *know* what happened.

PERSON 2

Sure I do. Deportation, shooting, rape, this idiot said that, that idiot did this - it's a different version of the same story every day.

PERSON 1

So that means it doesn't matter?

PERSON 2

It means I can't control any of it. So I don't let it bother me.

PERSON 1
I can't believe I let you inside.

PERSON 2
Do you think "Wolf Blitzzer" is his
real name? It's the "Blitzer" I
question. I believe in the "Wolf".

PERSON 1
What are you talking about?

PERSON 2
The news.

PERSON 1
A plane crashed in the Pacific.

PERSON 2
...

PERSON 1
Your Mom was on it.

PERSON 2
No she wasn't. She just posted on
Instagram.

PERSON 1
Sorry. That was mean.

PERSON 2
It is what it is.

TEXT APPEARS ON SCREEN:

II. You win some, you lose some.

PERSON 1
I hope you're leaving to get ready.

PERSON 2
Do you know who I am?

PERSON 1
I know you're not dressed.

PERSON 2
Cute.

PERSON 1
Well, move, let me help. You know,
what you wear says a lot about you.
And where we're going...

PERSON 2
...we don't need roads!

PERSON 1
Shut up. I'm serious. Tonight is a big deal. There's going to be a lot of important people. High up people. People who can make a difference.

PERSON 2
#influencers?

PERSON 1
Sure, whatever. People that *notice* things. How about this?

PERSON 2
That's my funeral gear.

PERSON 1
Huh, how often are you going to funerals? Never mind. How about this?

PERSON 2
The lining smells like urinal cakes.

PERSON 1
Well, what the fuck.

PERSON 2
Alright, alright. How's this?

PERSON 1
Geez, Louise. Are you serious? Are you listening to me? We're not going to a frickin monster truck rally. This is for real. Tell me you care.

PERSON 2
People are gonna think what they want to think.

PERSON 1
Well, do you want them to think you're a thug? A whore? A goddamn coal miner?

PERSON 2
You're silly.

PERSON 1
If you don't meet their standards,
that's what they'll think.

PERSON 2
Well, you know what they say...

PERSON 1
What?

PERSON 2
You win some, you lose some.

TEXT APPEARS ON SCREEN:

III. Crazy times we live in.

PERSON 1
I feel like I need to do something.

PERSON 2
Like what?

PERSON 1
I don't know - anything.

PERSON 2
I thought you said something.

PERSON 1
Adopt a dog, start a podcast, or...

PERSON 2
You could toot a horn.

PERSON 1
I just feel so useless.

PERSON 2
Check this out.

PERSON 1
You've gotta be joking.

PERSON 2
Hey, why not?

PERSON 1
Seems kinda crazy. But yeah.

PERSON 2
Crazy times we live in.
